Pro-Bind

Pro-Bind 2000

The NEW Pro-Bind 2000 is sure to exceed all your expectations for a desk top perfect-binding system. The desktop 18 gauge steel perfect-binding machine weighs approximately 10 pounds and is built to last. It is able to bind from a 1/16" to a 2" spine capacity with the push of a button. There is no waiting for the Pro-Bind 2000 to warm up. The cycle time is 30 seconds for Soft Cover Thermal Binders and 60 seconds for Hard Cover Thermal Binders. Capable of binding multiple documents at one time, the production can exceed 420 soft cover books per hour. With the Pro-Bind 2000, a flawless perfect-bound document is just seconds away!
Made in the USA.

* Wire, Coil and Comb binding equipment also available.

Pro-Bind 2000 Perfect Binding is as easy as...

1 Square up the loose sheets and position them in the spine of Soft or Hard Cover pre-folded, ready to use cover.

2 Place the cover in the Pro-Bind 2000 machine as shown. You can bind up to 10 documents at one time.

3 Push the button to begin the Pro-Bind 2000 binding process. When the audible tone sounds, 30 seconds later, that's it! Your document is perfect-bound.

Pro-Bind Hard Cover Crimper

The Pro-Bind Hard Cover Crimper gives a professional look to all Hard Cover Thermal Covers bound in the Pro-Bind 2000. The one-hand operation is easy to use and only takes seconds. There is no warm up time or electrical power needed. It is able to crimp spines 1/8" to 2" capacity, creating a professional looking hard bound book with a perfect tight spine. The Pro-Crimper is constructed from quality steel and aluminum and weighs approximately 5 pounds.
Made in the USA.

1 Place Hard Cover into Crimper to crease spine and complete the binding process.

2 In just minutes, you have a perfect bound hard cover book.

Pro-Bind 1000

The Pro-Bind 1000 is able to thermal bind soft and hard covers with a simple touch of a button. The binding capacity of the Pro-Bind 1000 fits up to ¾" spine. This unit is designed for 11" x 8½" sheet size or smaller and is the junior version of the Pro-Bind 2000. This lightweight system is portable to fit any office needs and only weighs 2 pounds. Other benefits of the Pro-Bind 1000 include an automatic evergy saving mode when the unit is not being used as well as factory heat settings that minimize operator error. The unit carries a one-year warranty.

Soft Cover Thermal Binders

Soft Cover Thermal Binders provide a polished and finished look to all bound documents. The thermal adhesive is pre-applied to the spine for easy binding. No punching, crimping or clean up! Simply place your loose pages into a soft cover thermal binder and place into the Pro-Bind 2000. Depress the start button and seconds later your bind is complete. Customize the binders with foil stamping, embossing, transparent fronts, 1 color to 4 color process offset printing, custom die cuts or pockets.

Specifications:

- Thermal Binder Cover Size: 11⅛" x 8¾" Spine Size 1/16" only
- Thermal Binder Cover Size: 11⅛" x 8⅝" Spine Size 3/32" - 2"
- Thermal Binder Cover Size: 11⅛" x 9" Spine Size 1/16" only
- Thermal Binder Cover Size: 11⅛" x 8⅞" Spine Size 3/32" - 2"
- Tab Size Covers also available

SPINE SIZES FOR SOFT OR HARD COVERS

# of Sheets to be Inserted	Spine Size Required
1-10	1/16"
5-15	3/32"
10-25	1/8"
25-50	1/4"
40-75	3/8"
65-100	1/2"
90-125	5/8"
115-150	3/4"
130-200	1"
180-250	1-1/4"
230-300	1-1/2"
280-350	1-3/4"

Use only as a guide for 20# bond paper. The number of sheets will vary with the thickness of text paper being bound. The best fit will be obtained by measuring the thickness of the document.

Hard Cover Thermal Binders

To make a longer lasting impression, Hard Cover Thermal Binders are the solution. Hard Cover Thermal Binders will look polished and professional. Customize your hard covers with 1 color to 4 color offset printing, foil stamping, silk screening or custom die cuts. With the adhesive glue strip pre-applied to the spine, they come ready to use.

Binding Elements - Plastic & Metal

These Binding Elements are the needed finishing touch to complete a project. Not only are these elements functional and durable, but also provide a streamlined look. The self-adhesive tang fasteners come installed.

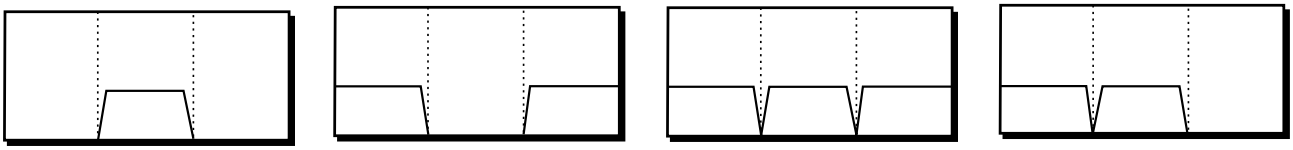
PRESENTATION FOLDERS

Custom Paper Presentation Folders

Custom presentation folders add an extra professional touch. The quality 12 pt white gloss or the Linen folder stock can be color printed, foil stamped or embossed. Add business card slits, removable Rolodex cards or a tab on the edge of a folder. Choose from letter or legal size folders.

Paper Trifold Folders

All heads will turn when you present your materials in a 4-color process Trifold Folder. These folders make a dramatic impression. We have multiple styles to choose from. If you have an original idea, our art department can help you implement it from start to a finished product.



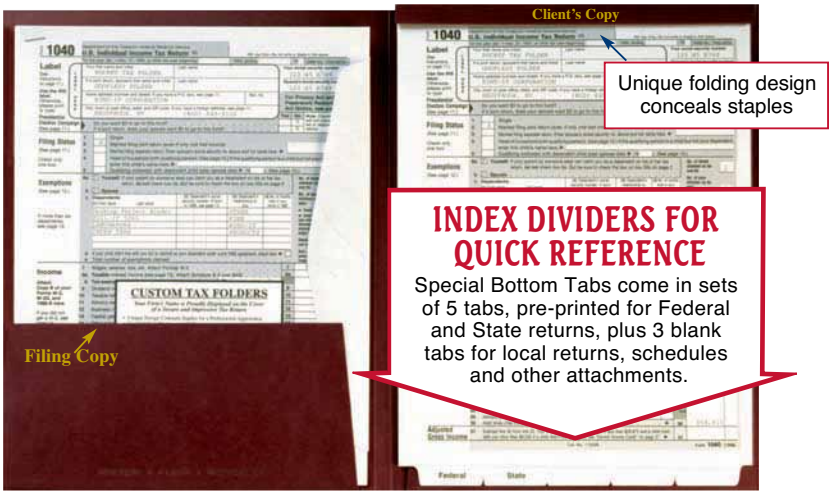
PA 300 TF1 PA 300 TF2 PA 300 TF3 PA 300 TF4

Tax Folders

Make Income Tax season a breeze with no fail, easy to use Tax Folders. Specially designed to hold Corporate, Individual or Fiduciary Tax Returns, the unique Pro-Bind flap folds to conceal the staples creating a professional finished look worthy of any CPA.

Tax Folders are available in standard or special stocks and can be customized with foil stamping or embossing for an elegant and polished look or use offset printing to achieve any appearance desired. Use the standard tax folder size or we will create a custom die for you!

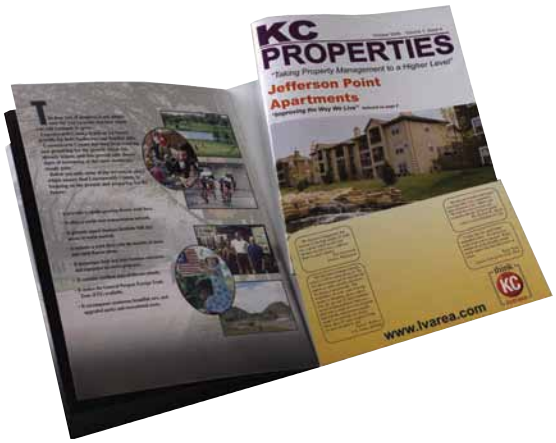
Laser labels or a set of 5 custom made index tabs preprinted for Federal and State returns plus three blank tabs for local returns, schedules and other attachments are also available.



Saddle Stitched Pages

Present all the information needed and keep pockets vacant for last-minute materials with Saddle Stitched Pages. The sheets are stitched securely into the pocket folder for a polished look.

Specifications:
- Available in 4-page, 8-page, 12-page and 16-pages
- Printed on 100# Gloss Text
- Can be printed in 1-color to 4-color process
- Includes stitching into pocket folder
- Saddle stitched pages are only available with pocket folder orders and not sold separately.



Staggered Sheets

Staggered sheets are printed and trimmed to fit perfectly into the pocket folder. These sheets are easy to read and can serve as a quick reference guide.

Specifications:
- Printed on 1 side
- Optional 2nd side printing available
- Printed on 100# Gloss Text
- Includes insertion into pocket folder
- Staggered sheets are only available with pocket folder orders and not sold separately

Poly Pocket Folders

A new alternative to paper folders. Constructed of .023 gauge poly, these folders are made to last. They won't split or tear and can be silk-screened, foil stamped or offset printed.

Specifications:
- Constructed with .023 gauge polyethylene
- Holds 11" x 8½" sheet size
- Tuck tab folder ships flat

Poly Tang & Eyelet Folders

Poly Tang & Eyelet Folders provide strength, durability and functionality. The clear acetate front cover offers flexibility for the cover page. This folder is perfect for meetings or anything that will be referenced often.

Specifications:
- .016 gauge poly
- .010 clear cover

*11" x 8½" Sheet Size

Turned Edged Wraparound Binders

Turned Edged Wraparound Binders are a fresh new option to keeping documents secure and protected. The turned edged flap, with solid chipboard construction, ensures materials are held in place. This is a professional and eye-catching binder that will set any presentation apart.

11" x 8½" Sheet Size

Turned Edged Post Binders

Turned Edged Post Binders offer a high-end look at an affordable price. These binders are manufactured to hold a large amount of materials, catalogs or price sheets. Constructed with 100# bright white text or arrestox wrapped over 100pt solid chipboard for durability. Available in a fixed capacity only.

11" x 8½" Sheet Size

Turned Edged Easel Binders

Turned Edged Easel Binders provide you a professional high quality product as well as the functionality you need. The offset printed sheets are laminated and turned over chipboard to produce a sturdy construction.

11" x 8½" Sheet Size

Turned Edged Boxes

This unique packaging option provides you with functionality and beauty. These boxes are designed to hold index tabs, loose-leaf binders, text sheets, pocket folders and more!

Paper Binders

High quality, soft cover Paper Binders are perfect for short term presentation materials such as media or promotion kits. A stunning binder can be created with a colorful design on the white cover. Binders can be printed, hot stamped or embossed.

Specifications:

- Rings available in ½", ¾", 1" and 1½" capacities
- Cover is 18 point coated one side, laminated

Options:

- Standard 2" x 4" window centered left to right 3" from top can be added
- One or two pockets can be added

INSERTABLE BINDERS

Round Ring

Round Ring Insertable Binders

- Heavy duty ring metals are concealed to spine
- Black or white suedene vinyl with clear overlay pockets on the front cover, spine and back cover
- Includes two curved sheet lifters in the1½", 2", 2½" and 3" binders (Round ring only. One 5" flat sheet lifter Angle D only)
- Includes two horizontal pockets
- Choose from Round Ring or Angle D Ring

Angle D-Ring Insertable Binders

The Angle D-Ring allows the sheets to lie flat in the binder for less wear and tear on the binder contents. Customize the binder by slipping your inserts into the clear pockets on the front cover or spine.

Specifications:

- Angle D-Rings are heavy duty and are riveted to the back cover with concealed rivets
- Black or white suedene vinyl with clear overlay pockets on the front cover, spine and back cover
- Includes one 5" flat sheet lifter
- Includes two horizontal pockets

Angle D Ring

Vinyl Ring Binders

Vinyl Ring Binders make an impressive opening statement. Silk screening or foil stamping your artwork can customize the quality French Calf or Suedene finish vinyl. Heavy-duty rings and flat chipboard creates a strong constructed binder that will last.

Specifications:

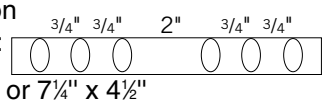
- Eight ring sizes from ½" to 4" capacity
- Ring spacing 8½" O.C. 4¼" I.C.
- Round rings can be attached to the spine or back cover
- Optional D-Rings and Angle D-Rings are available and are attached to the back cover
- Choose between 11" x 8½",9½" x6" or 8½" x 5½"

Vinyl 6-Ring Memo Binders

Vinyl Memo Binders are smaller sheet sizes and come with 6-ring metal. These binders are great for quick reference guides such as membership directories or phone lists.

Specifications:

- Metal ring sizes from 1/2" to 1"
- Solid chipboard construction
- Spacing between the rings:



- Choose between 6¾" x 3¾" or 7¼" x 4½"

Poly Ring Binders

Poly Ring Binders are economical, lightweight, and extremely durable. These binders are perfect for reference or training guides that will be frequently handled, for example, manuals in a workshop area.

- Six ring sizes available from ½" to 2½"
- Round rings, D-Rings and Angle D-Rings are available

Poly Post Binders

Post Binders are specifically designed to hold large quantities of material. They are available in fixed or expandable capacity. These binders can be used to hold numerous catalogs or price sheets.

Poly Boxes

Poly Sales Boxes are a unique solution to your presentation packaging needs. They are designed to hold index tab dividers, loose-leaf binders, pocket folders and more!

Product Uses:

- Employee Benefits Packaging
- Sales Kits
- Estate Planning
- Real Estate Kits

Custom Poly Index Tabs

Polyethylene tabs not only repel moisture, but also are easily cleaned which makes them perfect for workshop or lab area usage. These tabs will sustain frequent handling without showing wear.

Sheet Sizes:
11" x 8½", 9½" x 6", 8½" x 5½", 8½" x 11"

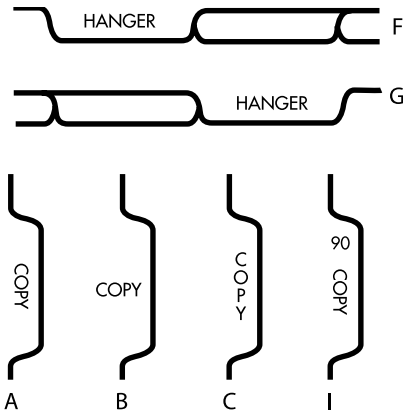
Specifications:
- No charge for tab copy typesetting
- Tab extends 1/2" from sheet edge
- .016 gauge polyethylene sheets with square corners
- Tabs printed one side
- 2 or 3 hole punched
- Choose from the .016 gauge poly colors and silk-screening ink colors as indicated on pgs 16 & 17
- Tabs are packaged uncollated

Options:
- Custom sizes are available
- Tab sets collated for easy insertion into binders
- Poly color change within set
- Silk-screening ink color change within set
- Printing on the body of the tab
- Insertion of tabs into the binders

POLY INDEX TAB BASICS

Tab Copy Styles

The amount of copy to appear on each tab, as well as the way in which the binder contents will be used, helps to determine which tab copy style works best. For example, use one of the hanger tab styles F or G for easel or platform binders. For very short copy, such as a letter or a number, consider using Style B.



Custom Paper Index Tabs

Index Tabs add a professional finish to binder contents. The indexes make it easy for readers to quickly page to a particular section. Mylar coating on the tabs helps protect the tabs from wear and makes them rigid for easy flipping.

Options:

- Paper Stocks: Optional colors in 90# stock are Blue, Canary, Cherry, Green, Gray, Ivory, Manila, Salmon and 110# white index
- Colored Mylar tab covering
- Special ink colors can be matched
- Shrink wrap of tab sets
- Printing on the body of the tab
- Reverse printing on tabs
- Tabs collated and inserted

MYLAR COLORS

Sheet Sizes: 11" x 8½", 9½" x 6", 8½" x 5½", 8½" x 11"

Specifications

- Tab copy typesetting included
- Tab extends ¼", ⅜" or ½" from sheet edge
- Standard stock is 90# white or buff index paper
- Sheets have square corners
- Tabs printed two sides in black ink
- Sheets come with three 5/16" diameter round holes and a 9/16" reinforced binding edge
- Tabs are covered with clear Mylar
- Tabs are packaged uncollated, 1500 sheets in 30 lb. box

Custom Legal Paper Index Tabs

Legal sized index tabs are both functional and practical. The indexes make it easier to locate information.

Specifications:

- Tab copy typesetting included
- 14" x 8½" sheet size with ½" tab extension
- Tabs printed two sides in black ink
- Sheets have square corners
- Tabs are covered with clear Mylar
- Standard stock is 90# white or buff index paper

DOCUMENT HOLDERS

Paper Notepad Folders

Use our 12 pt. white high gloss paper or colored stock paper. The notepad folders include a ruled-line pad of paper along with an optional pocket.

Paper notepad folders are perfect for:
- Meetings
- Conferences
- Seminars

Specifications:
- Ruled notepad included
- 9½" x 6½" closed
- 1" - 3" pocket included

Vinyl Notepad Folders

Attractive, high quality notepad folders are terrific for seminars, meetings, training sessions, or promotions. The enclosed notepad can be secured with an attractive brass clip. Opposite the pad is a boomerang pocket to hold papers or brochures. Rigid 90 point chipboard construction creates a durable folder that won't bend easily.

Specifications:
- Constructed with 90 point chipboard
- Ruled notepad and boomerang pocket included
- Standard: 12½" x 9$^{3}/_{16}$" closed size
- Junior: 8½" x 5½" closed size
- Legal: 15$^{3}/_{16}$" x 8$^{15}/_{16}$" closed size

Portvelopes

A Portvelope is a vinyl envelope with a flap or zipper closure. They are great document holders that keep your materials clean and protected despite frequent handling. The back of the envelope can be made of clear vinyl so you can see the inside documents. The flap closure can be secured with a Velcro snap.

Specifications:
- Clear or opaque back panel
- Velcro closure for flap can be added
- Business card pocket with three sealed sides available
