Entry Level Laminators

Economic and budget friendly platform designed for easy entry into the sign and print market.

Highlights

- **Variable Speed Control** – Fast lamination speeds of over 16 feet per minute (RSC-1401CLTW)

- **Quick Notch Gap Adjustment** – Eliminating guess work when setting the nip for mounting

- **Crowned Silicon Rollers** – Ensures proper tracking and lasts longer than rubber rollers

- **Operator Friendly** – Easy to use digital controls and convenient foot pedal for hands free operation
