

55" Cold Roll Laminator with added features engineered for easy post-print laminating and mounting.

Highlights

- **Heavy-Duty Motor** – Fast lamination speeds of over 16 feet per minute (5 meters per minute)
- **Heat Assist Option** – Helping to reduce the natural phenomenon known as “Silvering” (RSC-1402HW)
- **Quick Notch Gap Adjustment** – Eliminating guess work when setting the nip for mounting
- **Crowned Silicon Rollers** – Ensures proper tracking and lasts longer than rubber rollers
- **Operator Convenience** – Cross Cutter, Rear Remote and Foot Pedal added for your benefit
- **Rear Rewinder Included**– Add the front feeder to achieve true roll to roll lamination

RSC-1402CW & RSC-1402HW
