

RSC-1651LS & RSC-1651LSH

65" Cold Roll Laminator with convenient features ideally suited for laminating and mounting digital prints, poster, displays and more.

Highlights

- **Heavy-Duty Motor** – Fast lamination speeds of over 16 feet per minute (5 meters per minute)
- **Heat Assist Option** – Helping to reduce the natural phenomenon known as “Silvering” (RSC-1651LSH)
- **Quick Notch Gap Adjustment** – Eliminating guess work when setting the nip for mounting
- **Crowned Silicon Rollers** – Ensures proper tracking and lasts longer than rubber rollers
- **Operator Convenience** – Cross Cutter, Rear Remote and Foot Pedal added for your benefit
- **Roll-To-Roll Lamination**– Add the front feeder and rear rewinder options to achieve true roll to roll lamination
