

# ideal™ AIR PURIFIERS

Air purifiers for healthy indoor air – that’s what the AEON Blue™ cleaning system provides. Ideal for rooms of around 150 to 450 square feet. With HEPA filter, activated carbon filter and selectable ionizer.

Specifications	AP15	AP30	AP45
Power supply	120 V, 60 Hz	120 V, 60 Hz	120 V, 60 Hz
Fan speed	4 steps (adjustable)	4 steps (adjustable)	4 steps (adjustable)
Noise levels (dB)	26 / 35 / 43 / 52	26 / 35 / 46 / 55	27 / 38 / 50 / 60
Air flow	1,400 - 6,000 ft <sup>3</sup> /h	2,275 - 11,550 ft <sup>3</sup> /h	2,975 - 17,500 ft <sup>3</sup> /h
Placing	Floor, tables	Floor, tables	Floor, tables
Product dimensions (D x W x H), inches	9 x 13.7 x 18.5	10.4 x 16.3 x 21.6	11.7 x 18.8 x 25.6
Shipping weight, pounds	17	23	30
CADR value*	Smoke 98 Dust 98 Pollen 103	Smoke 197 Dust 197 Pollen 214	Smoke 298 Dust 291 Pollen 343

\*CADR value (clean air delivery rate): The higher the value, the faster the air is cleansed of smoke, dust and pollen. Tested and certified by AHAM.

Air purifiers with highly effective AEON Blue cleaning system – cleans indoor air more effectively than almost any other air purifier. The ideal AP15, AP30, and AP45 combine HEPA, activated carbon and plasma air cleaning in one compact unit. Very effectively filters harmful substances out of the air: fine dust, pollen and other allergens, viruses and bacteria, mold spores, pet hair, cigarette smoke and even chemical fumes and odors. What’s more, it enriches the air with charged ions. Purified and ionized air – a simple and natural principle with a refreshing result: a vitalizing effect on mind and body, strengthening the immune system as well as protecting against cell damage and premature aging processes, fatigue or diseases. And all this running at very low energy and quiet as a whisper – for optimum use in offices, bedrooms or medical practices – wherever you’re looking for ideal indoor air.

## Features

### HANDY REMOTE CONTROL

Makes simple operation even more convenient. For distances of up to twenty feet.

### SIMPLE FILTER CHANGE

A filter change display guarantees constant air quality. The practical filter cassette can be changed simply and quickly.

### OPTIFLOW

Captures dust or smoke particles and distributes fresh air optimally through the room.
